The comptroller will be separately reminded in the matter. But this question need not wait for it, as the President, Tumkur Dist Board has certified to the effect that a provision of Rs 40000 has been made for the work in the railway cess Budget for 1942-43. Sanction may therefore be accorded to the estimate for Rs 27,150 for opening out a new road from Nagavalara to Tavarekere via Muruvakere & Dabbeghatta in the Tumkur Dist, the charge being met out of the Railway Cess funds at the credit of the Dist Board: During the current year, the work will be started with the sum of Rs 40000 made available in the Railway cess fund Budget of the Tumkur Dist Board, the required provision being made next year onwards, as demanded by the Executive Engineer.

Sir,

Subject:- Opening a new road from Mayasandra to Turuvekere via Mavinkere and Dabbeghatta.

I have the honour to forward herewith an estimate amounting to Rs 27,150/- for the work mentioned above.

The report accompanying the estimate explains the necessity for the work and the provision made therefor in the estimate.

The estimate has been countersigned for Rs 27,900/- by the -- - President, District Board, Tumkur District, under "Railway Cess Budge The estimate has, after scrutiny been corrected to Rs 27,150/-.

I request you kindly to obtain sanction of Government to the estimate for Rs 27,150/- and the allotment of necessary funds in the Railway Cess Fund Budget of Tumkur District Board for 1942-1943.

Report to accompany the estimate for Opening out a New road from Mayasandra to Turuvekere via Mavinkere and Dabbeghatta.

There is a road from Mayasandra to Turuvekere. But in order to provide facility to interium villages, Mavinkere and Dabbeghatta, to find market for their agricultural products the road is proposed to be opened, the total length being 18 miles.

The road starts from Mayasandra New town towards the right of Nelligere-Sira road and passes through Mavinkere Dabbeghatta, Goni Tumkur and Sulekere and joins on Yediyur-Tiptur road at 6/19 to Turuvekere.

The road is taken along the cart track with some deviations here and there and crosses minor valleys across which sufficient length of causeways has been provided.

Spillage over the causeway provided is 2 to 2½ feet since the hallas are not perrinial and flows for couple of hours during rainy season.

At 5/9 an irrigation tunnel of 2' x 2' has been provided to convey sluice water of Dabbeghatta tank.

The road will be formed by merely excavating check, drain and shoulder ~~xxix~~ drains and throwing them over the road surface of 18 feet. In embankment portions and slushy portions the estimate provides for collection and consolidation of gravel.

The width of road taken is 66 feet ~~from~~ for acquisition purposes excluding the existing cart track in private lands.

Due provision has been made for providing and fixing mile, furlong and demarcation stones to prevent encroachment.

Stone road roller of 3' x 3' with iron frame &c., four in number, have been provided for the whole length of road of 18 miles.

Two cut stone finger posts as per type design one at Mayasandra another at Turuvekere have been provided in the estimate.
